Karen: Are you having fun? What's going on?
me: talking to thejester
me: working on proposal, etc
Karen: The jester!
Karen: I thought he was your enemy!
me: We're in peace talks
Karen: OK, but are you being careful, measured?
me: yes, he's not
Karen: Then why are you the one talking to him? Are you going to get yourself in trouble?
me: Mom, calm down
Karen: You just sounded kind of manic this morning.
